

# SaverSprayers™

New, Ultra Low Flow Bathroom Sprayers - stronger than aerators

2 Flow Rates - Extra Hard 1.0 GPM or Strong 0.5 GPM

Assembled in U.S. with U.S. and import components

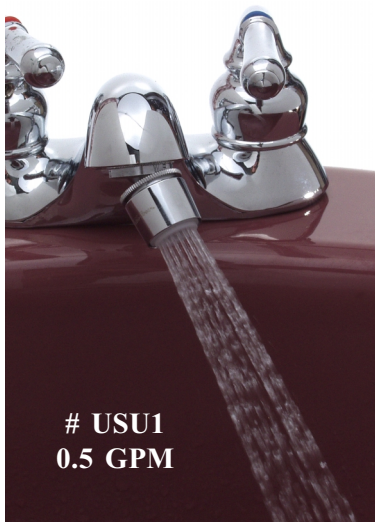

## Standard Ultra SaverSprayer

Available in all popular thread sizes, fits virtually any bathroom faucet. Brass shell made in Germany, does not touch water flow, complies with state lead free laws, plastic insert made in England.

Uses only 0.5 GPM, reduces bathroom faucet water use by over 70%.

Also available in hard 1.0 GPM flow (add -1.0 to end of model number)

UA1C	Ultra SaverSprayer, 0.5 GPM Max, dual thread, carded
UA1	Ultra SaverSprayer, 0.5 GPM Max, dual thread, bulk
UA2	Ultra SaverSprayer, 0.5 GPM Max, 55/64-27 female, bulk
UA3	Ultra SaverSprayer, 0.5 GPM Max, 13/16-27 male, bulk
UA4	Ultra SaverSprayer, 0.5 GPM Max, 3/4-27 female, bulk
UA5	Ultra SaverSprayer, 0.5 GPM Max, universal adapter, bulk
UA6	Ultra SaverSprayer, 0.5 GPM Max, 3/8 MIP, bulk
UA8	Ultra SaverSprayer, 0.5 GPM Max, 3/4 female hose, bulk
UA9	Ultra SaverSprayer, 0.5 GPM Max, 13/16-24 female, bulk
UA10	Ultra SaverSprayer, 0.5 GPM Max, 11/16-24 male, bulk

## Swivel Ultra SaverSprayers

Available in 0.5 GPM or extra hard 1.0 GPM versions.

0.5 GPM reduces bathroom faucet water use by over 70%.

1.0 GPM version is great for kitchens, provides much stronger, narrow spray that helps rinsing dishes, etc.

Brass swivel and lever control machined and chrome plated in the U.S.A.

Dual threads, both 15/16ths x 27 male and 55/64ths x 27 female threads are machined in to the brass swivel connector, insures no stripping of threads.

USU1C	Swivel SaverSprayer, 0.5 GPM, dual thread, carded
USU1B	Swivel SaverSprayer, 0.5 GPM, dual thread, bagged
